Brandy Allazetta joined the team of Clark and Associates in 1995 as the office manager, and has steadily grown within the company, and is now Executive Vice President.

She provides support in marketing, technology and personnel and enjoys working with their innovative team of professionals. She is a licensed health and life agent and holds credentials in Human Resources and Advanced Management from the University of Nevada, Reno.

Brandy is a native Nevadan and loves the four-season outdoor recreation and quality of life the greater Reno-Tahoe area has to offer and enjoys spending time with her family, friends and dogs. She supports her community and is proud to be a past recipient of the Susan G. Komen Breast Cancer Foundation, Outstanding Volunteer Award.
