Dawn joined Clark and Associates in 2003 as a life and health insurance agent. Prior to Clark and Associates, she worked as an account executive for an Internet based life and health insurance broker. Her background is in customer service with such companies as United Parcel Service and Saint Mary's Regional Medical Center.

Dawn is a Benefit Solutions Consultant for many small and large groups. She oversees the proposal process and conducts employee presentations to assist with educating employees regarding their benefits. She acts as the liaison between the Human Resource Department and the insurance companies. Dawn works with all facets of insurance sales and service. She is an invaluable resource for clients.

Dawn, with her husband, have eight children, 7 girls and 1 boy. The children range between the ages of 25 and 11 years old. With a large family such as hers, she is an advocate for quality and cost effective health care for all ages.

Dawn and her family enjoy attending sporting events such as football and basketball games - and they participate in many of the outdoor activities that Nevada and Northern California have to offer, including water skiing, wakeboarding, snow skiing, and camping.
