Lisa has over eight years of experience in the insurance industry. During her career, Lisa has worked with a diverse client base that ranged from individuals to large groups. Many of her responsibilities included: marketing various lines of coverage, preparing marketing analysis, placement of new and renewal business, analyzing contracts, coordinating enrollment meetings and health fairs, maintenance of client files, preparation of monthly cost analysis reports, and handling ongoing day to day services.

In January 2010, Lisa joined Clark and Associates as a Benefit Specialist and was promoted to a Benefit Solutions Consultant. She now works with our current clients and prospective clients helping them with the marketing process, placement of new and renewal business, coordinating enrollment meetings, and helping to build and maintain relationships with our clients.

Lisa is happily married with 4 children (2 boys and 2 girls). She enjoys outdoor activities such as camping, boating, and riding ATV's.
