Pamela Davidson joined the team of Clark and Associates in 2011 as a Benefit Specialist.

She joins us with over ten years of customer service and management experience. Pam is a licensed Health and Life Agent with over six years experience in the insurance industry in her role of Account Manager.

Pam provides excellent customer service, and her responsibilities include the marketing process for clients in all health and life lines of coverage. She coordinates new and renewal business, enrollment meetings, health fairs, and maintains client files and handles the ongoing day to day services.

Pam is married to Doug and along with their two children enjoys what Northern Nevada has to offer. They enjoy going to Lake Tahoe to ski, hike or a day at the beach.
